(3) There is no provision in the budget for this allowance As the order was issued in July the M of C could not have anticipated this item of expenditure Any how a fresh reappropriation is necessary of the whole amount for which the Dy Comm will have to make a separate reference later on

(7) The differentiation will be clear from a consideration of the order dated 30 July 1920 (Flag W) by which the general order of 19 July 1920 (C) is specifically made applicable to local bodies There is no such corresponding order making the G.O. dat 24 March 1920 (B) applicable to Municipal bodies

(8) It was only suggested above that the attention of the Govt may also be drawn to the order (W) But as the question now is one of local allowances as distinguished from the General allowances dealt with by the order of July 1920
